Eve Tuck's memoir, *Carry: A Memoir of Survival on Stolen Land*, is a powerful and moving account of her journey to reclaim her identity and heal from the trauma of her past.

Tuck is a Unangaŋ woman who was raised in a white adoptive family in the United States. As a child, she was taught to be ashamed of her Indigenous heritage. She was told that her people were savages and that her culture was worthless. This shame and self-hatred led Tuck to struggle with addiction and mental illness as an adult.

In her memoir, Tuck tells the story of how she began to reclaim her Indigenous identity and heal from the trauma of her past. She writes about her experiences with racism and discrimination, her struggles with addiction and mental illness, and her journey to find a sense of belonging.

Tuck's writing is raw and honest. She does not shy away from the difficult topics of trauma, addiction, and mental illness. However, her memoir is also full of hope and resilience. Tuck's story is a testament to the power of the human spirit and the importance of reclaiming one's identity.
