Ellie Lovely Idea The Critter Club is a fun and educational club for kids who love animals. Members will learn about different animals, how to care for them, and how to be responsible pet owners.

What We Do

The Critter Club meets once a month at the local library. At each meeting, members will learn about a different animal. We will discuss the animal's habitat, diet, behavior, and how to care for it. We will also have a craft activity related to the animal.

In addition to our monthly meetings, we also offer field trips to local animal shelters, zoos, and farms. These field trips give members a chance to see animals up close and learn more about their care.
