The world is facing unprecedented challenges, from climate change and poverty to global pandemics and political instability. These challenges require a new generation of leaders who are equipped with the knowledge, skills, and mindset to make a positive impact on the world. The Empowering Global Citizens World Course is designed to meet this need.

The World Course is an immersive and transformative experience that equips students with the knowledge, skills, and mindset to make a positive impact on the world. Through hands-on projects, cross-cultural exchanges, and expert mentorship, students learn to address global challenges, promote sustainable development, and foster intercultural understanding.

What You'll Learn

The World Course is a comprehensive program that covers a wide range of topics, including:

* Global challenges and opportunities * Sustainable development * Intercultural communication * Conflict resolution * Human rights * Global governance * Social entrepreneurship * Leadership and change management

Through a combination of lectures, discussions, workshops, and field trips, students will gain a deep understanding of these complex issues and develop the skills needed to address them effectively.

Experiential Learning

One of the unique features of the World Course is its focus on experiential learning. Students will have the opportunity to:

* Participate in hands-on projects that address real-world global challenges
* Engage in cross-cultural exchanges with students from around the world *
Receive mentorship from experts in the field

These experiences will provide students with a firsthand understanding of the challenges and opportunities facing the world today and will help them develop the skills needed to make a difference.

Global Impact

The World Course is more than just an academic program. It is a movement of changemakers who are committed to making the world a better place. Graduates of the World Course have gone on to work in a variety of fields, including:

* International development * Peacebuilding * Education * Journalism *
Social entrepreneurship * Public service

They are making a difference in the world by addressing global challenges, promoting sustainable development, and fostering intercultural understanding.
