Europa In Viaggio, which translates to "Europe On the Move," is a multidisciplinary project that brings together artists and musicians from Europe and Africa to create new and innovative work. The project was founded by Fidelis in 2016 as a way to foster cultural exchange and understanding between the two continents.

Since its inception, Europa In Viaggio has hosted a series of workshops, residencies, and performances in cities across Europe and Africa. These events have brought together a diverse group of artists, including musicians, dancers, visual artists, and performers, to share their knowledge and experiences with each other.

### **Fidelis' Journey**

Fidelis, himself, is a product of cultural exchange. He was born in Nigeria, but moved to Italy as a child. He grew up in a multicultural environment, and his music reflects the many influences that have shaped his life.

As a musician, Fidelis is known for his unique blend of African and European musical styles. His music is often characterized by its infectious rhythms, soulful melodies, and uplifting lyrics.

In addition to his music career, Fidelis is also a passionate advocate for cultural diversity. He believes that art and music can play a powerful role in breaking down barriers and creating a more understanding world.

Europa In Viaggio is a manifestation of Fidelis' commitment to cultural exchange. The project provides a platform for artists from different cultures to come together and create something new and inspiring.

### **Impact of Europa In Viaggio**

Europa In Viaggio has had a significant impact on the lives of the artists and musicians who have participated in the project. The project has provided them with the opportunity to learn from each other, share their experiences, and create new and innovative work.

In addition to its impact on the individual artists involved, Europa In Viaggio has also had a broader impact on the cultural landscape of Europe and Africa. The project has helped to break down barriers between the two continents and has created new opportunities for collaboration and exchange.

The project has also had a positive impact on the communities where it has been implemented. The workshops, residencies, and performances have brought people from different cultures together and have helped to foster a sense of community and belonging.

Europa In Viaggio is a unique and inspiring project that is making a significant contribution to the cultural landscape of Europe and Africa. The project is a testament to the power of collaboration and the transformative potential of art and music.

Obinna Fidelis, the founder of Europa In Viaggio, is a visionary artist and a passionate advocate for cultural diversity. His work is making a real difference in the world and is an inspiration to us all.
