We offer a variety of programs and services that help people to connect with each other, learn about different cultures, and work together to solve common problems. These programs include:

- **Community Dinners:** We host monthly community dinners that bring people together from all walks of life to share a meal and conversation.
- **Cultural Exchange Programs:** We offer cultural exchange programs that allow people to learn about different cultures through home stays, language classes, and other activities.
- **Community Organizing:** We work with community members to organize around issues that are important to them, such as affordable housing, education, and healthcare.

Our Mission

Our mission is to build a more just and equitable community by bringing people together to connect, learn, and work together. We believe that by working together, we can create a more welcoming and inclusive community for all.

Our Values

Our values are:

- **Inclusion:** We believe that everyone should feel welcome and included in our community, regardless of their background or identity.

- **Respect:** We treat everyone with respect, regardless of their differences.
- **Collaboration:** We believe that we can achieve more by working together than we can by working alone.
- **Social Justice:** We are committed to working for social justice and equity for all.

Our Impact

Since our founding in 2001, Hawks Community Connections has made a significant impact on the lives of people in our community. We have:

- Hosted over 1,000 community dinners, bringing together over 10,000 people from all walks of life.
