How to Use Sister Sarah Pairking's System

To use Sister Sarah Pairking's system, you first need to choose a pair of numbers. You can choose any pair of numbers, but Sister Sarah recommends choosing numbers that are close together, such as 1 and 2, 3 and 4, or 5 and 6.

Once you have chosen a pair of numbers, you need to write them down on a piece of paper. You can also use a lottery ticket to write down your numbers.

Next, you need to focus on your pair of numbers and visualize them being drawn in the lottery. Imagine the balls being drawn from the machine and the numbers matching your pair.

You can visualize your numbers as often as you like. The more you visualize them, the more likely you are to win.

When it is time for the lottery draw, you need to watch the draw and see if your pair of numbers is drawn. If your numbers are drawn, you win!
