Kevin and Julie's parents are out of town, and they are left home alone with their cruel and neglectful aunt and uncle. When the siblings hear strange noises coming from the basement, they investigate and discover Freddy

and Sorority. The two killers are holding a group of children captive in the basement, and they are torturing and killing them.

Kevin and Julie are horrified by what they see, and they try to escape. However, Freddy and Sorority catch them and lock them in the basement with the other children. The siblings must now find a way to escape before they become the killers' next victims.

The Kids Under the Stairs is a dark and disturbing film that explores themes of childhood trauma, abuse, and neglect. The film is also a sharp criticism of the American Dream, and it shows how the pursuit of wealth and status can lead to moral decay.

The film was a critical and commercial failure upon its release, but it has since gained a cult following. Critics have praised the film's atmosphere, suspense, and social commentary. The film has also been cited as an influence on a number of other horror films, including Cabin Fever (2002) and The Collector (2009).
