## Meet Frank, the Unlikely Hero

Frank is not your typical hero. He's an overweight, underachieving slacker who just wants to play video games. But when he's sucked into the world of Zenith, a broken and bonkers MMORPG, Frank finds himself on an epic quest that he never asked for.

With his overpowered abilities and a knack for getting into trouble, Frank quickly becomes the most unlikely hero the game world has ever seen.

## **A Broken Game World Full of Surprises**

Zenith is not your average game world. It's a place where the rules are constantly changing, the quests are absurd, and the NPCs are more likely to insult you than help you.

From fighting giant chickens to collecting unicorn farts, Frank's journey is full of unexpected challenges and hilarious moments.

## **Unforgettable Characters You'll Fall in Love With**

Frank is not alone in his adventures. He's joined by a cast of unforgettable characters, each with their own unique quirks and abilities.

There's Sally, the snarky mage who's always ready with a sarcastic quip. And then there's Bob, the timid healer who's surprisingly good at punching zombies.

Together, Frank and his friends will face the challenges of Zenith and prove that even the most broken game can be conquered with a little bit of laughter.

## **A Hilarious and Heartwarming Adventure**

This Class Is Bonkers is more than just a funny LitRPG. It's a heartwarming story about friendship, perseverance, and finding your place in a world that's constantly changing.

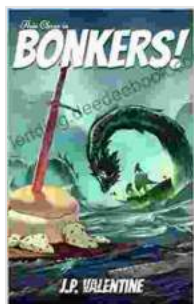

Whether you're a fan of LitRPGs, comedies, or just great storytelling, This Class Is Bonkers is a trilogy that you won't want to miss.
