One night, while walking home from work, he is attacked by a group of vampires. He is saved by a mysterious woman named Anya, who reveals to him that he is the last of a powerful line of vampire hunters.

Anya takes Ethan under her wing and begins to train him in the ways of vampire hunting. Ethan quickly learns that the world of urban fantasy is a dangerous place, filled with creatures of all shapes and sizes. He also learns that he is not the only one who is special. He meets a group of other young people who are also part of the supernatural world, and together they form an unbreakable bond.

As Ethan and his friends continue to train, they face off against a variety of threats, including vampires, werewolves, and demons. They also learn more about their own powers and abilities, and they begin to realize that they are capable of great things.
